Juanita's hominy Mexican pozole

Characteristics

- White Hominy is an essential ingredient throughout South America and Mexico and usually found in soups like menudo and pozole. It is prepared by treating large white corn kernels with a softening solution of powdered lime until the skins slip off. The kernels are then further simmered until they open up like a flower.
- For a delicious shortcut, simply add a can of White Hominy to your favorite Mexico, Central and South American recipes, and enjoy!

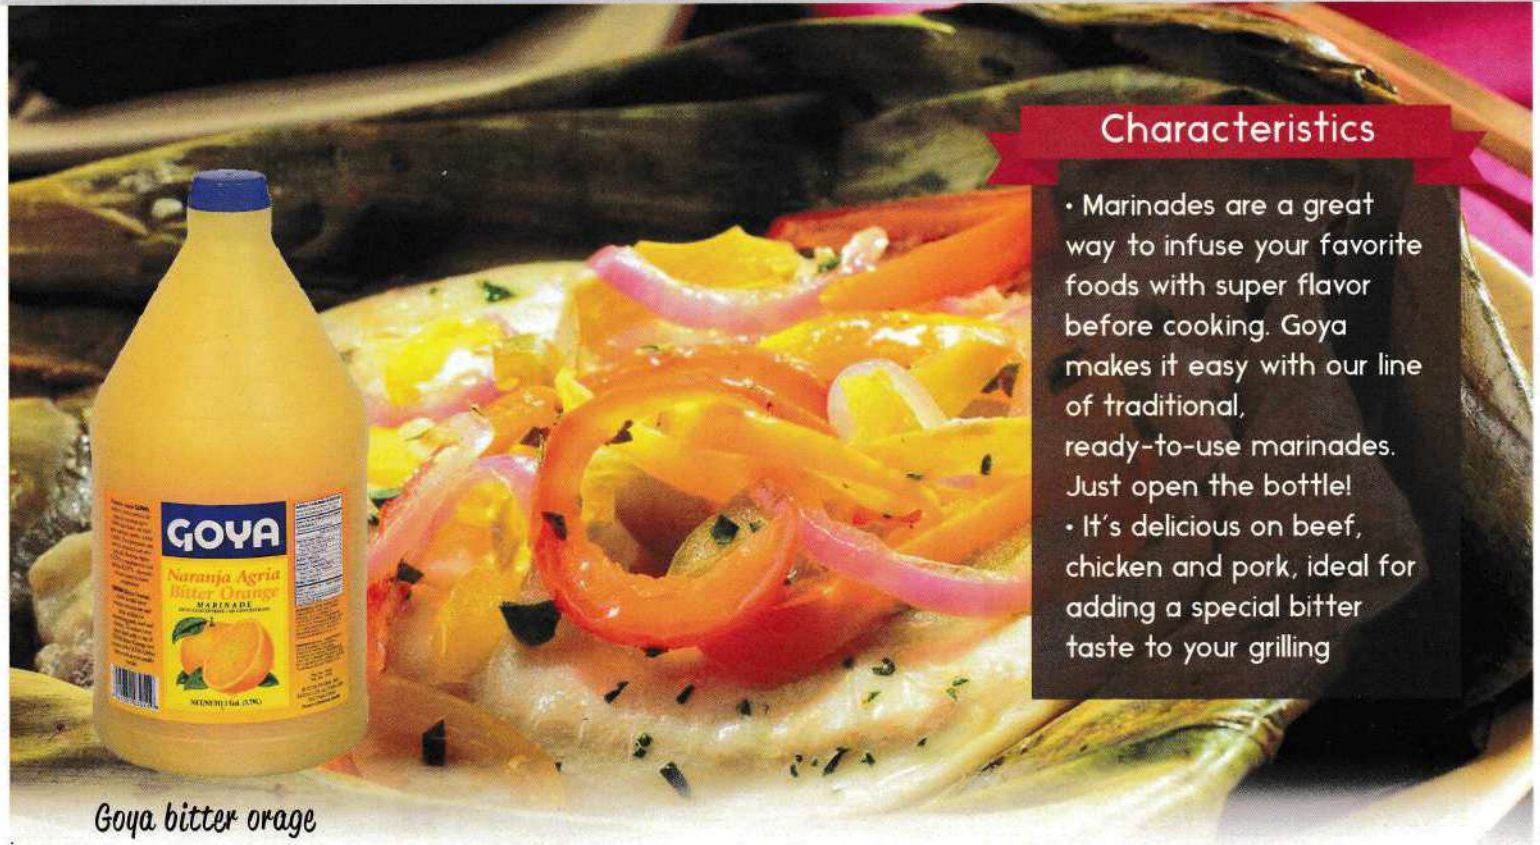

Juanitas hominy pozole
105 oz

Characteristics

- Marinades are a great way to infuse your favorite foods with super flavor before cooking. Goya makes it easy with our line of traditional, ready-to-use marinades. Just open the bottle!
